FRED J. HARRISON (H.T.) Alex. Dickson & Sons

A valuable addition to crimson Hybrid Tea Roses; of vigorous growth and free branching habit, with dark sage green foliage; almost immune from mildew. The flowers are a cardinal red color, suffused with crimson and splashed with blackish crimson towards edge of petals, which are large and of great substance. Awarded Gold Medal at the Provincial Show, 1923.

FRAICHEUR (Wich. Hybrid). Turbat & Co.

Pyramidal clusters of 20 to 30 flowers; color, fresh tender rose; growth strong and vigorous, with beautiful deep green foliage.

GEORGE H. MACKERETH (H.T.) Alex. Dickson & Sons

A distinct and beautiful addition to the crimson shades of colors in this class. It is possessed of vigorous growth; free branching habit. The blooms are carried on very stiff stems, and are sweetly scented. Color, deep crimson, shaded velvety maroon. Awarded Certificate of Merit, National Rose Society.

GWYNNE CARR (H.T.) Alex. Dickson & Sons

A splendid rose, distinct, and of genuine merit. The growth is vigorous and erect; the buds are long and pointed, opening with petals of great substance. Color, shell-pink to pale lilac rose, increasing in centre to deeper rose, with a distinct zone of yellow at base of petals. Awarded Certificate of Merit, National Rose Society.

GOLDEN MADAM SEGOND WEBER (H.T.) Soupert et Notting

Color, salmon, centre golden yellow; flowers enormous size, full, of good substance, with long stiff petals. A seedling from that fine rose Madam Segond Weber, possessing all the good qualities of its parent. Growth strong and vigorous.

HENRY NEVARD (H.T.) Frank Cant & Co.

The color is crimson scarlet; flowers large and finely formed, and carried on erect shoots; highly perfumed with true Hybrid Perpetual scent.

HERMAN NEUHOFF (H.T.) Neuhooff

A dark scarlet sport of General Superior Arnold Jansen. The color is quite constant, and a very pleasing shade. A good acquisition.

JOHN C. M. MENSING (H.T.) Eveleens & Sons

A distinct sport from Ophelia, being a deep bright rose. In habit and other characteristics, like the parent. A most valuable novelty. Awarded two First-class Certificates.

LE REVE (Pernetiana). Pernet Ducher

Summer flowering. A most vigorous grower of semi-climbing habit. Large semi-double flowers, with large petals. Color, a beautiful pure sunflower yellow, which does not fade.

Growth vigorous, with dark green foliage; bud long, opening into a large, perfectly formed flower. Color, salmon rose, tinted coppery red; centre, salmon orange, shaded gold.

MADAM MALLERIN (H.T.) Chambard

Growth vigorous; foliage dark green, immune from mildew; magnificent long buds, carried on rigid peduncle; flowers large; color, a beautiful crimson scarlet, shaded vermillion. A continuous bloomer.

MADemoiselle IRENE HENNESSY (H.T.) Guillot

Growth vigorous; foliage dark green; flowers very large, full, and of perfect form; very sweetly scented; color, brilliant orange vermillion. Very beautiful.

MADeline LEMAIRE (Wich. Hybrid). Nonin.

Extremely vigorous growth with abundant green foliage; large bouquets of 50 to 60 flowers; semi-double; color, Nilson pink and carmine. A valuable acquisition.

SHOT SILK (H.T.) Alex. Dickson & Sons.

A superb novelty. The coloring is difficult to portray. They may be described as bright cherry cerise, overshot with salmon orange, flushed rose and deeply veined, clear buttercup yellow base. The foliage is a glossy green, and immune from mildew. The best novelty of the year, Awarded Gold Medal, National Rose Society.

SOUV. DE MDM. LOUISE CRETTE (Pernetiana). Crette.

Vigorous growth, with bronze green foliage; bud long, yellow carmine; flower golden yellow, shaded coral and tinted red.

SOUV. DE MARIE FINON (H.T.) J. Croiber & Sons.

Growth vigorous and robust, with beautiful bronze green foliage; flowers large and full; color, apricot yellow, passing to clear yellow, shaded salmon; very sweetly scented.

RICHARD E. WEST (H.T.) Alex. Dickson & Sons.

A grand addition to the yellow shades in this section; growth robust and vigorous. Every shoot carries a flower bud, which develops into a finely formed flower. Color, glowing cadmium yellow. Awarded Certificate of Merit, National Rose Society, 1923.

TURKES RUGOSA SAMLING RUGOSA (Hybrid). Turke.

Bud orange yellow; open bloom light pink, with yellow base, being the result of a cross between Conrad Filleyer and Mrs. Aaron Ward. It is perpetual flowering, with blooms much in the way of C. F. Meyer. A good rose.
